Tax Preparation

Yes, you will need to file a tax return before April 15th in order to receive the **special one time Stimulus Payment**. You are required to have at least \$3000 in “qualifying income”. Qualifying income includes: wages on W2, **Social Security benefits** (monthly retirement, survivor, and disability benefits), Tier 1 Railroad benefits, and veterans’ disability compensation, pension, or survivors’ benefits received from the VA in 2007.
